New Committee, New Initiative

Regulatory Subject Matter Committee.

Today we have more to think about than ever. Infection control, Proposed Medical Device Fee Changes, Radiation Safety Protocol, Non-Compliant Product....without full time regulatory team members it can be hard to keep up.

This is why some DIAC member companies have donated the time and expertise within their regulatory departments to:

- a) review current issues
- b) respond on behalf of the industry when our voices need to be heard
- c) provide monthly updates to help keep the industry association membership current with any new developments from Health Canada.

Updates will be highlighted in the monthly newsletter and we encourage all member companies to link back to the website for further information if the topic is relevant to your business.

Thank you to the following companies and individuals for helping us build this team:

3M	Debbie Payant
P&G	Yogeeta Pawa & Susanne Currie
Dentsply	Jeffrey Yan
Hansamed	Maik Rehfeldt
Ivoclar	Henry Solinger
Henry Schein	Len DeCicco
Medicom	Dominique Abecassis
Septodont	Leslie Fillion

Topics discussed at the November 3rd, 2017 meeting:

- Radiation Protection Safety Committee
- Infection Control
- Regulatory Classification for Disinfectants
- Proposed Fee increases on Medical Devices
- HC New Legislation on Adverse Drug and Medical Device Reaction Reporting by Health Professionals
- Position on taxation of medical devices and drugs
- Non-Compliant Product
- Transitioning to MDSAP Certificates and Updating the ISO Standard

If you have any questions or topics of interest you would like reviewed please contact DIAC (info@DIAC.ca) with: "Regulatory Subject Matter Committee" in the subject header.

Future of Dentistry Membership Survey

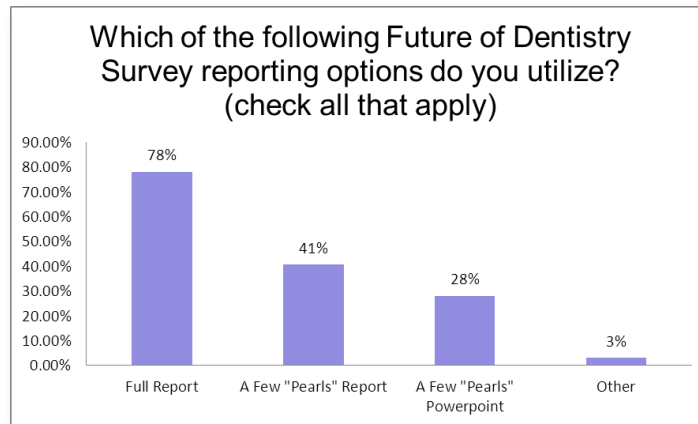

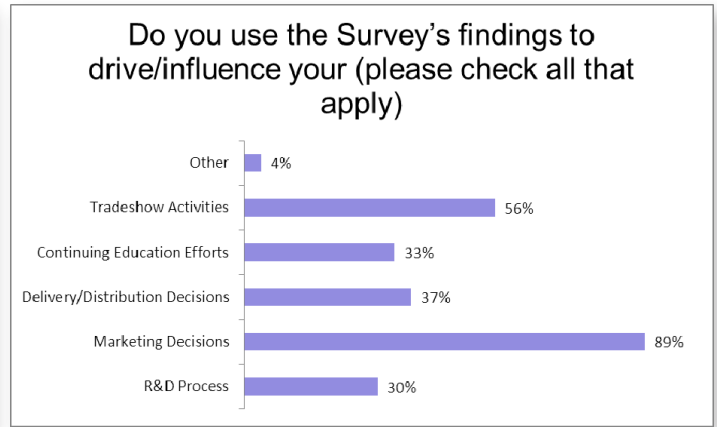

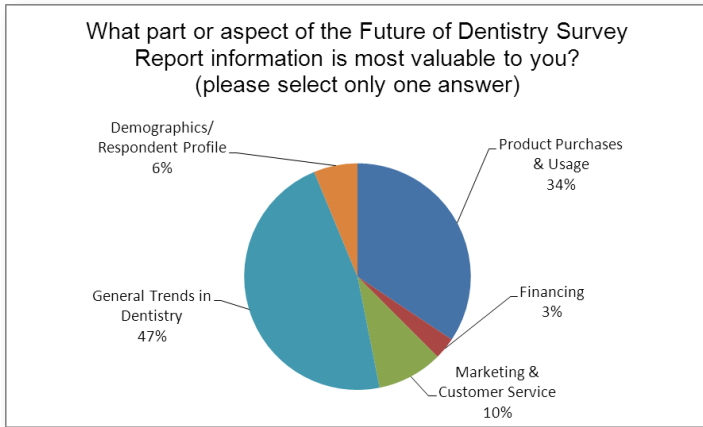

Did You Know?

Shortly after the Future of Dentistry Survey (FODS) is completed, we engage our membership with an internal survey to better understand how we can improve the FODS result outputs, and ask for general feedback.

This year we found out that 87% utilize the full report with an overall satisfaction rating of 7.61 out of 10.
